Thanks again to the support of the community!
Working with the community allows us to have
the pool open each year.

We are so excited to bring the Splash
Adventure Pad to life this season! Started over
ten years ago, with continued community
support and fundraising, we look forward to
seeing our community youth explore and play!

A pool requires quite a bit of maintenance as
you may notice when you visit the pool. We
continue to work towards providing permanent
shade areas, repairs to picnic area, and repairs
to pool in general.

If you think our pool is of benefit to the
community, important as a safe place to learn
to swim, cool off during our hot summers,
participate in a swim team, aquacise or swim
laps for exercise, please let us know by making
a tax-deductible donation to LAPP, being as
generous as possible and remain part of the
grassroots effort to keep our new, modern pool
facility operating with activities for all ages in
our beautiful mountain community. Let us know
what is important to you.
